### **Have you thought about Eastern Star?**

This is an organization for both men and women, with a Masonic connection.

Once a man has become a Mason, this enables himself and his family to join Eastern Star, together.

This social group offers a night (or afternoon) out, together. Many couples report that it is a safe, social group with a circle of friendship that is ever lasting. To join Eastern Star you do not need to learn memory work. We are a social club that are proud to boast that it is for both men and women. It continues your Masonic Heritage.
